BIKE STORAGE/DISTRIBUTION FACILITY NEEDED

Help J-1 students get to work! The ISOP program, which loaned 150 bikes to students last year, needs a place to store, repair and distribute bikes. Epworth Church is offering to build and share a pole barn if we raise half the cost, which is \$10K. Epworth is donating the land, concrete pad, and electricity. Many businesses depend on J-1 students, but all of us are enriched by their presence. Bicycles allow them to work, shop and enjoy our area-this is your chance to help them. Donations are tax deductible. Email Maryanne Kauffman at bicycles4students@gmail.com or call 703-400-6364.
